

# WELCOME INTO OUR HOME!

This building is located in the residential area of Prague 3. We live here with our families and pets, we go to work in the morning or out in the evening for fun. Prague 3 is full of restaurants, pubs and bars and we want you to experience and enjoy the great atmosphere they offer. We are close to the city centre, where there are many music clubs.

We are proud of our city and we are happy to have you as our guests.

Therefore, we would kindly ask you to follow a few simple **RULES OF STAY**:

## CALM

Please, maintain silence between the hours of 10 PM and 6 AM.

This period is called "Night Calm" and it is a city rule. Minimize noises while in the hallways or in front of the building. Try to not slam doors. Many families and their pets are sleeping.

Works connected with higher noise could be done **Mon-Fri 8 AM to 5 PM** and **Sat 9 AM to 4 PM**.

## SUSTAINABILITY

Please, help us to keep our environment clean.

Put the trash into the bin. There are trash bins behind the door next to the elevator on floor 0. We recycle, so please put the **plastic, paper, metal, glass and tetrapacks** into the recycling containers on the corner. Please don't smoke in hallways or in the elevator.

Don't throw cigarettes from the windows, don't leave trash on the street.

## SAFETY

Owners, tenants, guests and people living with us are obliged to close and lock the house. Also, they can not allow people to enter the building at the same time as they enter or leave.

The main entrance has an automatic lock. **Please learn how to control the doorstep.**
